

Our Approach to ESG

In our ESG activities we are guided by four strategic pillars, the 4Ps: Product, People, Partners, and Planet.

2023 ESG markers

Primary targeted UN Sustainable Development Goals (SDGs)

- SDG 8**
Decent work and economic growth
- SDG 12**
Responsible consumption and production
- SDG 13**
Climate action

Product

>4,000
product quality tests

Partners

0 major breaches identified by private-label supplier audits

People

+24%
growth in healthcare programme coverage

Planet

+23%
increase in the amount of waste sent for recycling
